(Interpretation)

Objectives in establishing the prohibited acts and penalties are as follows,

- (1) To secure the contestant's safety
- (2) To ensure fair competition
- (3) To encourage appropriate techniques

(Explanation#1)

“Gam-jeom”

ii. Falling down:

“Gam-jeom” shall be declared for falling down. However, if a contestant falls down due to the opponent's prohibited acts “Gam-jeom” penalty shall not be given to the fallen contestant, while a penalty shall be given to the opponent. If both contestants fall as a result of incidental collision, or in case a contestant who received a point with turning kick falls down, no penalty shall be given.

iii. Avoiding or delaying the match:

- a) This act involves stalling with no intention of attacking. A contestant who continuously displays a non-engaging style shall be given a “Gam-jeom”. If both contestants remain inactive after three (3) seconds, the center referee will signal the “Gong-gyeok” command. A “Gam-jeom” will be declared: On both contestants if there is no activity from them three (3) seconds after the command was given; or on the contestant who moved backwards from the original position three (3) seconds after the command was given.
- b) Turning the back and move away to avoid the opponent's attack should be punished as it expresses the lack of a spirit of fair play and may cause serious injury. The same penalty should also be given for evading the opponent's attack by bending below waist level or crouching.
- c) Retreating from the technical engagement only to avoid the opponent's attack and to run out the clock, “Gam-jeom” shall be given to the passive contestant.
- d) Pretending injury means exaggerating injury or indicating pain in a body part not subjected to a blow for the purpose of demonstrating the opponent's actions as a violation, and also exaggerating pain for the purpose of elapsing the match time.
- e) “Gam-jeom” shall also be given to the athlete who asks the referee to stop the contest in order to adjust the position/fit of protective equipment.

iv. Grabbing or pushing the opponent:

- a) This includes grabbing any part of the opponent's body, uniform or protective equipment with the hands. It also Includes the act of grabbing the foot or let or hooking the leg with forearm. For pushing, it is permitted as a quick impact and a contestant must disengage from opponent after one push. The flowing acts shall be penalized.
 - Pushing the opponent with prolonged or continuous contact
 - Pushing the opponent out of the boundary line
 - Pushing the opponent in a way that prevents kicking motion or any normal execution of attacking movement

v. Lifting the leg or cut kick motion shall not be penalized only when it is followed by execution of punching or kicking technique in combination motion.

- vi. Attacking below the waist: This action applies to an attack on any part below the waist. When an attack below the waist is caused by the recipient in the course of an exchange of techniques, no penalty will be given. This article also applies to strong kicking or stamping actions to any part of the thigh, knee or shin for the purpose of interfering with the opponent's technique.
- vii. Attacking the opponent after "Kal-yeo":
 - a) Attacking after Kal-yeo requires that the attack results in actual contact to the opponent's body.
 - b) If the attacking motion started before the Kal-yeo, the attack shall not be penalized.
 - c) In Instant Video Replay, the timing of Kal-yeo shall be defined as the moment that the referee's Kal-yeo hand signal was completed (with fully extended arm); and the start the attack shall be defined as the moment that the attacking foot is fully off the floor.
 - d) If an attack after Kal-yeo did not land on the opponent's body but appeared deliberate and malicious the referee may penalize the behavior with a "Gam-jeom"
- viii. Hitting the opponent's head with the hand: This article includes hitting the opponent's head with the hand (fist), wrist, arm, or elbow. However, unavoidable actions due to the opponent's carelessness such as excessively lowering the head or carelessly turning the body cannot be punished by this article.
- ix. Butting or attacking with the knee: This article relates to an intentional butting or attacking with the knee when in close proximity to the opponent. However, contact with the knee that happens in the following situations cannot be punished by this article. When the opponent rushes in abruptly at the moment a kick is being executed Inadvertently, or as the result of a discrepancy in distance in attacking.
- x. Attacking the fallen opponent: This action is extremely dangerous due to the high probability of injury to the opponent. The danger arises from the following:
 - The fallen opponent is in an immediate defenseless state
 - The impact of any technique which strikes a fallen contestant will be greater due to the contestant's position. These types of aggressive actions toward a fallen opponent are not in accordance with the spirit of taekwondo and as such are not appropriate to taekwondo competition. In this regard, penalties should be given for intentionally attacking the fallen opponent regardless of the degree of impact

When misconduct is committed by a contestant or a coach during a rest period, past the five (5) seconds of the round conclusion, the referee can immediately declare the "Gam-jeom" and the "Gam-jeom" shall be recorded to the upcoming round. However, "Gam-jeom" shall be recorded to the previous round if the action happened within five (5) seconds of the round conclusion.

Article 15 Golden Points and Decision of Superiority

- 3 The first contestant scores two (2) or more points or whose opponent receives two “Gam-jeoms” in the golden round shall be declared the winner.
- 4 In the event that neither contestant has scored two (2) points after the completion of the golden round, the winner shall be decided by superiority based the following criteria:
 - 4.1 The contestant who received a point by a punch in the golden round

 - 4.3 If number of hits registered by the PSS is tied, the contestant who won more rounds in first three rounds
 - 4.4 If number of round won is tied, the contestant who received less numbers of a “Gam-jeom” during all four rounds
 - 4.5 If the three above criteria are the same, the referee and judges shall determine superiority based on the content of the golden round. If the superiority decision is tied among the referee and judges, the referee shall decide the winner.
- 5 In the best of three (3) system, in case of tie score for corresponding round, the round winner shall be decided by superiority based on following criteria:
 - 5.1 Most points scored by turning or spinning kick.
 - 5.2 If the technical score is the same, the contestant who has more scored in the order of a higher value techniques as follows (Head, Trunk, Punch, Gam-Jeom).
 - 5.3 If the high value points are same, the contestant who received higher number of hits registered by the PSS.
 - 5.4 If the three above criteria are the same, the referee and judges shall determine superiority.

- a) In case of two (2) corner judges, winner shall be decided by referee and two (2) judges
 - b) In case of three (3) corner judges, winner shall be decided by three (3) judges except referee.
-

(Explanation#1)

Decision of superiority by judges shall be based on technical dominance of an opponent through aggressive match management, the greater number of techniques executed, the use of the more advanced techniques both in difficulty and complexity, and display of the better competition manner.

(Explanation#2)

In the event that referee is counting for delivering successful head kick which caused knock down right before the opponent's body kick but only the latest body kick was registered, the coach of the athlete who delivered head kick may request for video replay. If review jury determines that head kick was valid and performed earlier than body kick, the referee shall invalidate the point(s) scored by body kick, then declare points for head kick, and declare the one who delivered head kick as winner.

In the event that one athlete who already has one (1) point is delivering successful punch right before the opponent's body kick but only the latest body kick was registered, the coach of the athlete who delivered punch may request for video replay. If review jury determines that punch was performed earlier than body kick, the referee shall ask whether corner judges were scored or not. If two or more corner judges scored for punch, referee shall invalidate the point(s) scored by body kick, then declare points for punch, and declare the one who delivered punch as winner

(Guideline for officiating)

The procedure for superiority decision shall be as follows except for the best of three (3) system.

- 1) Prior to the contest, all refereeing officials take the superiority card with them.
- 2) When a match is to be decided by superiority, the referee shall declare "Woo-se-girok (Record Superiority)".
- 3) Upon the referee's declaration, the judges shall record the winner within 10 seconds with their heads down, sign on the card and then give it to the referee.

- 3) In case of two (2) corner judges, winner shall be decided by referee and two (2) corner judges.
 - 4) In case of three (3) corner judges, winner shall be decided by three (3) corner judges except referee.
 - 5) The Review Jury shall record the final result, and declare to Operator the round winner.
 - 6) Upon declaration of winner, the referee shall declare the round or match winner.

(Explanation#4)

Win by disqualification: This is the result determined by the contestant's failure in weigh-in or when a contestant fails to report to the Athlete Calling Desk following the third call.

The follow-up actions should be different in accordance with the reason of disqualification.

- i. In the event that contestants have not passed or did not show at weigh-in: The result should be reflected on the draw sheet and the information should be provided to technical officials and all relevant persons. Referees will not be assigned for this match. The opponent of athletes that did not pass or show at weigh-in will not need to appear at the court to compete.

-

Article 17 Knock Down

A Knock Down shall be declared, when a legitimate attack is delivered and;

- 1 When any part of the body other than the sole of the foot touches the floor due to the force of the opponent's scoring technique
- 2 When a contestant is staggered and shows no intention or ability to continue as a result of the opponent's scoring techniques.
- 3 When the referee judges that the contest cannot continue as the result of being struck by a legitimate scoring technique

(Explanation#1)

A knock down:

This is the situation in which a contestant is knocked to the floor or is staggered or unable to respond adequately to the requirements of the match due to a blow. Even in the absence of these indications, the referee may interpret as a knock down, the situation where, as the result of contact, it would be dangerous to continue or when there is any question about the safety of a contestant.

Article 18 Procedure in the event of a Knock Down

- 1 When a contestant is knocked down as the result of the opponent's legitimate attack, the referee shall take the following measures.
 - 1.1 The referee shall keep the attacker away from downed contestant by declaration of "Kal-yeo (break)". The recorder shall stop the match clock following the referee's "Kal-yeo (break)" command.
 - 1.2 The referee shall first check the status of the downed contestant and count aloud from "Ha-nah (one)" up to "Yeol (ten)" at one second intervals towards the downed contestant, making hand signals indicating the passage of time.
 - 1.3 In case the downed contestant stands up during the referee's count and desires to continue the fight, the referee shall continue the count up to "Yeo-dul (eight)" for recovery of the contestant. The referee shall then determine if the contestant is recovered and, if so, continue the contest by declaration of "Kye-sok (continue)".
 - 1.4 When a contestant who has been knocked down cannot demonstrate the will to resume the contest by the count of "Yeo-dul (eight)", the referee shall announce the other contestant winner by RSC(Referee Stops Contest).
 - 1.5 In case both contestants are knocked down, the referee shall continue counting as long as one of the contestants has not sufficiently recovered.
 - 1.6 In case both contestants are knocked down and both contestants fail to recover by the count of "Yeol", the winner shall be decided by the match score before the occurrence of Knock Down.
 - 1.7 When it is judged by the referee that a contestant is unable to continue, the referee may decide the winner either without counting or during the counting.
- 2 Procedures to be followed after the contest: Any contestant who could not continue the match as a result of a serious injury regardless of any parts of the body cannot enter competition within thirty (30) days without approval of the WT Medical Chairman after submission of a statement from the physician designated by the pertinent national federation.
 - 2.1 Except for medical emergency, any contestant with any serious injury must be evaluated by venue medical doctor and confirmed by medical chairman (MC) at medical room immediately after the contest.
 - 2.2 Any contestant who had knockout due to head injury must be checked by medical doctor at medical room per WT medical rules. A venue medical

doctor must perform SCAT5 on the injured contestant for diagnosis of concussion in case of head injury within 30minutes after the head injury.

- 2.3 Any significant(moderate to severe) head trauma or concussion carries mandatory suspension for any competition during the suspension period(see 18.2.5) This mandatory medical suspension period cannot be shortened in any circumstances once the suspension is given.
- 2.4 The decision on the suspension of the contestant for significant head trauma or concussion must be made based the on one of the following criteria (1)—(3).
 - (1) Comprehensive neurological examination and neurocognitive testing (SCAT 5 or other validated concussionassessment tools permitted by MC Chair) performed by commissioned doctor in the venue medical room which must be reported to MC Chair)
 - (2) Referee-stop-contest due to any loss of consciousness, altered mental status or inability to make a meaningful, stable and voluntary movement as a result of a direct head trauma at least for ten (10) seconds or by the count ten (10)
 - (3) Failure to fully recover from head trauma and resume the match within one (1) minute of medical evaluation on the mat after centre referee calls a doctor for possible concussion.
- 2.5 Any contestant who had diagnosis of significant head trauma or concussion based on one of the above 2.4 criteria will get 30days suspension(senior), 40days suspension(junior) or 50days suspension(cadet). This mandatory medical suspension period cannot be shortened in any circumstances once the suspension is given.
- 2.6 Any contestant who had second concussion in last 90 days will get 90days suspension and who had third concussion in last 180days will get 180days suspension.
- 2.7 For any incidence of concussion or significant head trauma underreported, misdiagnosed or mismanaged without mandatory medical suspension, WT Sport Department and WT MC Medical Committee led by WT MC Chair shall start investigating the incidence by retrospective video review even after the end of the competition. The incidence must be reported to WT MC Chair within 30days after the incidence date to commence the investigation. If the video review confirmed by at least three (3) reviewers of WT medical committee reveals obvious concussion or serious head trauma (knockout more than 10 seconds) or other serious injuries which mandate at least 30-day mandatory medical suspension, WT medical committee shall override the medical examiner (OMD or commissioned doctor)'s decision and apply the mandatory suspension rules to the athlete to protect the health and safety of the contestant.

(Explanation#1)

Keep the attacker away: In this situation the standing opponent shall return to the respective contestant's mark, however, if the downed contestant is on or near the opponent's contestant's mark, the opponent shall wait at the boundary line in front of his/her coach's chair.

(Guideline for officiating)

In the case of using PSS, the referee shall check if the PSS system and sensing socks worn by both athletes are properly working. This process, however, may be deleted to save time for speedy competition management.

(Explanation#2)

In case the downed contestant stands up during the referee's count and desires to continue the fight: The primary purpose of counting is to protect the contestant. Even if the contestant desires to continue the match before the count of eight is reached, the referee must count until "Yeo-dul (eight)" before resuming the match. Counting to "Yeo-dul" is compulsory and cannot be altered by the referee.

Count from one to ten: Ha-nah, Duhl, Seht, Neht, Da-seot, Yeo-seot, Il-gop, Yeo-dul, A-hop, Yeol.

(Explanation#3)

The referee shall then determine if the contestant has recovered and, if so, restart the contest by the declaration of "Kye-sok": The referee must ascertain the ability of the contestant to continue while he/she counts until eight. Final confirmation of the contestant's condition after the count of eight is only procedural and the referee must not needlessly pass time before resuming the contest.

(Explanation#4)

When a contestant who has been knocked down cannot express the will to resume by the count of "Yeo-dul", the referee shall announce the other contestant winner by RSC after counting to "Yeol":

The contestant expresses the will to continue the match by gesturing several times in a fighting position with the clenched fists. If the contestant cannot display this gesture by the count of "Yeo-dul", the referee must declare the other contestant winner after first counting "A-hop" and "Yeol". Expressing the will to continue after the count of "Yeo-dul" cannot be considered valid. Even if the contestant expresses the will to resume by the count of "Yeo-dul", the referee can continue counting and may declare the contest over if he/she determines the contestant is incapable of resuming the match.

(Explanation#5)

When a contestant is downed by a powerful scoring blow and whose condition appears serious, the referee can suspend the count and call for first aid or do so in conjunction with the count.

(Guideline for officiating)

- i. The referee must not spend additional time confirming the contestant's recovery after counting to "Yeo-dul" as a result of failing to observe that condition during the administration of the count.
 - ii. When the contestant clearly recovers before the count of "Yeo-dul" and expresses the will to resume and the referee can clearly discern the contestant's condition yet resumption is hampered by the requirement of medical treatment, the referee must first resume the match with the declaration of "Kye-sok" and immediately after declare "Kal-yeo" and "Kye-shi" and then follow the procedures of Article 19.
-

Article 19 Procedures of suspending the match

- 1 When a contest is to be stopped due to the injury of one or both contestants, the referee shall take the measures prescribed below. However, in a situation which warrants suspending the contest for reasons other than an injury, the referee shall declare "Kal-yeo (break)" and resume the contest by declaring "Kye-sok (continue)".
 - 1.1 The referee shall suspend the contest by declaration of "Kal-yeo" and order the recorders to suspend the time.
 - 1.2 The referee shall allow the contestant one minute to receive first aid by the commission doctor; the referee may allow team doctor to treat first aid if the commission doctor is not available or if it is deemed necessary.
 - 1.2.1 The commission doctor may request more time (up to 2 minutes) if necessary.
 - 1.2.2 If there is no commission doctor, team doctor or medical chairman available, any doctor (or medical associate) near competition mat can be requested to provide the athlete with first aid.
 - 1.3 If an injured contestant cannot return to the match after one minute the referee shall declare the other contestant winner.
 - 1.4 In case resumption of the contest is impossible after one minute, the contestant causing the injury by a prohibited act to be penalized by "Gam-jeom" shall be declared the loser.
 - 1.5 In case both the contestants are knocked down and are unable to continue the contest after one minute, the winner shall be decided upon points scored before the injuries occurred.
 - 1.5.1 In case of best of three (3) System: If both contestants are knocked down and are unable to continue the contest after one minute at the Round 1 or Round 3, the winner shall be determined by the points scored before the injuries occurred in the pertinent Round. If this occurs during the Round 2, the winner shall be determined by the decision of the Round 1.
 - 1.5.2 If points are tied, the winner shall be decided according to criteria of superiority.
 - 1.6 If the referee determines a contestant's pain is caused only by a bruise the referee shall declare "Kal-yeo" and give a command to resume the match with the call, "stand-up". If the contestant refuses to continue the match after the referee gives the command "stand up" three times, the referee shall declare the match 'Referee Stops Contest'.

- 1.7 If the referee determines a contestant has received an injury such as broken bone(s), dislocation, sprain ankle(s), and/or bleeding, the referee shall allow the contestant to receive a first aid treatment for one minute after “Kyeshi”. The referee may allow the contestant to receive first aid treatment even after giving the commanding “standup” if the contestant is determined to be injured in one of the categories above.
- 1.8 Stopping the match due to injury: If the referee determines a contestant has received an injury such as broken bone(s), dislocation, sprain ankle(s), and/or bleeding, the referee shall consult with the chairperson of the Medical Committee or the commissioned doctor assigned by the chairperson. If a contestant is re-injured in the same manner, the chairperson of the Medical Committee or the commission doctor assigned by the chairman may advise the referee to stop the match and declare the injured the loser.
-

(Explanation#1)

When the referee determines that the competition cannot be continued due to injury or any other emergency situation, he/she may take the following measures:

- i. If the situation is critical such as a contestant losing consciousness or suffering from a severe injury and time is crucial, first aid must be immediately directed first and the match must be closed. In this case, the result of the match will be decided as follows.
 - The contestant causing the injury shall be declared the loser if the outcome was the result of a prohibited act to be penalized by “Gam-jeom”.
 - The incapacitated contestant shall be declared the loser if the outcome was the result of a legal action or accidental, unavoidable contact.
 - If the outcome was unrelated to the match contents, the winner shall be decided by the match score before suspension of the match. If the suspension occurs before the end of the first round, the match shall be invalidated. If points are tied, the winner shall be decided according to the criteria of superiority.
 - In case of best of three (3) System: If the outcome was unrelated to the match contents, the winner shall be determined by the points scored before the suspension occurred in the pertinent Round (in case of the Round 1 or 3). If points are tied, the winner shall be decided according to the criteria of superiority. If this occurs in the Round 2, the winner shall be determined by the decision of the Round 1.
- ii. If first aid treatment is need for an injury, the contestant can receive necessary treatment within one minute after the declaration of “Kye-shi”.
 - Order to resume the match: It is the decision of the center referee, after consultation with the Commission Doctor, whether or not it is possible for the contestant to resume the match. The referee can anytime order the contestant to resume the match within one minute. The referee can declare any contestant who does not follow the order to resume the match the loser of the contest.
 - While the contestant is receiving medical treatment or is in the process of recovering, 40 seconds after the declaration of "Kye-shi", the referee begins to loudly announce the passage of time in five second intervals. When the contestant cannot return to the Contestant's Mark by the end of the one minute period, the match results must be declared.
 - After the declaration of "Kye-shi", the one minute time interval must be counted from the moment the commission doctor enter the mat or after waiting for commission doctor up to 10 seconds if not readily available in the mat. However, when the doctor's

treatment is required but the doctor is absent or additional treatment is necessary, the one minute time limit can be suspended by the judgment of the referee.

- If resumption of the match is impossible after one minute, the decision of the match will be determined according to sub-article "i" of this article.

iii. If both contestants become incapacitated and are unable to resume the match after one minute or urgent conditions arise, the match result is decided according to the following criteria:

- If the outcome is the result of a prohibited act to be penalized by "Gam-jeom" by one contestant that person shall be the loser.
- If the outcome was not related to any prohibited act to be penalized by "Gam-jeom", the result of the match shall be determined by the match score at the time of suspension of the match. However, if the suspension occurs before the end of the first round, the match shall be invalidated and the Organizing Committee will determine an appropriate time to re-contest the match. The contestant who cannot resume the match shall be deemed to have withdrawn from the match.
- In case of best of three (3) System: If the outcome was unrelated to "Gam-jeom" penalty, the contest result shall be determined by the points scored before the suspension occurred in the pertinent Round (in case of Round 1 or 3). If the points are tied, the winner shall be determined according to the criteria of superiority. If this occurs in the Round 2, the winner shall be determined by the decision of the Round 1.
- If the outcome is the result of prohibited acts to be penalized by "Gam-jeom" by both contestants, then both contestants shall lose.

(Explanation#2)

The situation which warrants suspending the match beyond the above-prescribed procedures shall be treated as follows.

- i. When uncontrollable circumstances require suspension of the match, the referee shall suspend the match and follow the directives of the Technical Delegate.
- ii. If the match is suspended after the completion of the second round, the outcome shall be determined according to the match score at the time of suspension.
 - In case of best of three (3) System, if the match is suspended, the outcome shall be determined by the point scored before the suspension occurred in pertinent Round in case of Round 1 or Round 3 of the contest. If points are tied, the winner shall be decided according to the criteria of superiority. In case of the occurrence during Round 2, the winner shall be decided upon decision of Round 1.
- iii. If the match is suspended before the conclusion of the second round, a rematch shall, in principle, be conducted and shall be held in three rounds.

If it was found that two corner judges request for change of the judgment, the referee must accept and correct the judgment (in case of 1 referee + 3 judges). In a two corner judge setting, the result of the scoring can be revised when two persons among two judges and the referee agree to do so.

(Guideline for officiating)

In case that each judge awards different score respectively to the legal attack on the head, for instance, one judge gives one point, another gives two and the other gives no point, and that no point is recognized as a valid one, or in the case that the recorder makes mistakes in timing, scoring or penalties, any of the judges may indicate the mistake and

ask for confirmation among the judges. Then, the referee may declare “Kal-yeo” (break)” to stop the contest and gather the judges to ask for statements. After discussion, the referee must publicize the resolution. In the case that a coach requests for video review for the same case that one of the judges requests for a meeting between refereeing officials, the referee shall first gather judges before taking the request from coach. If it has been decided to correct the decision, the coach shall remain seated without using appeal quota. If the coach still stands and request for video review, the referee shall take the coach’s request.

Article 21 Instant Video Replay

- 1 In case there is an objection to a judgment of the refereeing officials during the contest, the coach of a team can make a request to the center referee for an immediate review of the video replay. The coach can only request video replay for followings;
 - i) Penalties against the opponent for instances of falling down or crossing the boundary line or attacking the opponent after “Kal-yeo” or attacking the fallen opponent
 - ii) Technical point
 - iii) Any penalty against own contestant
 - iv) Any mechanical malfunction or error in time management. In case of appeal for PSS mechanical malfunction, the coach may request to the center referee for a testing of the PSS at any time during the 2nd and/or the 3rd round. However, if the PSS mechanical function is properly working, the coach’s appeal quota shall be forfeited. As well as this coach’s appeal is considered to be a misconduct of coach that “Gam-jeom” shall be given to own contestant in accordance with Article 14.4.1.3 ‘Following Misconducts of contestant of coach’. This only applies to the ‘Best of 3’ System.
 - v) When referee forgot to invalidate point(s) after “Gam-jeom” was given for prohibited act
 - vi) Wrong identification of fist attacking contestant by judge
 - vii) Head kick that is not scored
- 2 When coach appeals, the center referee will approach the coach and ask the reason for the appeal. Any appeal shall not be admissible on any points scored by foot or fist attacks on the trunk or foot attack on trunk PSS. Coach may request instant video replay for head kick regardless of using head PSS. The scope of instant video replay request is limited to the only one action which has occurred within five (5) seconds from the moment of the coach’s request. Once the coach rises the blue or red card to request for instant video replay, it will be considered that the coach has used his/her allocated appeal under any circumstance unless the judge’s meeting satisfies the coach.
- 3 Referee shall request the Review Jury to review the instant video replay. Review Jury, who is not of the same nationality as the contestants, shall review the video replay.
 - 3.1 In the last five (5) seconds of any Round, the Center Referee may request for IVR review to check the possible Gam-jeom penalties for the following actions:
 - Falling down

- Crossing the boundary line
- Attack after Kal-yeo
- Attack the fallen opponent

Any points scored after Prohibited Act will be invalidated.

3.2 If a referee perceives a contestant to be staggering, a strong impact to the head, kick to the eye(s), bleeding or knocked down by a kick to the head, and so begins counting, but the attack was not scored by the head PSS, the referee or coach must request IVR to make the decision for awarding or not awarding points after the count.

3.3 Referee may request IVR for clarification before declaration of “Gam-jeom” for pretending injury.

4 After review of the instant video replay, the Review Jury shall inform the center referee of the final decision within thirty (30) seconds after receiving the request.

5 Coach shall be allocated with one (1) appeal to request an instant video replay request per each contest. However, based on the size and level of the Championships, the Technical Delegate may decide the number of appeal quota during the head of team meeting. If the appeal is successful and the contested request is corrected, the coach shall retain the appeal right for the pertinent contest.

6 The decision of the Review Jury is final; no further appeals during the contest or protest after the contest will be accepted except errors in the calculation of scoring in contest of Olympic Qualification Tournaments, G6 event or above as explained article 21.7.1.

7 In the case that there is a clear erroneous decision from the refereeing officials and scoring operators on identification of the contestant or errors in the calculation of scoring as follows

- Score and Gam-jeom input by Operator
- Misidentification of athletes by Center Referee

any of the refereeing officials shall request for IVR and correct the decision at any time during the round.

7.1 If errors in calculation of scoring or misidentification of the athlete were not corrected during the round by the refereeing officials and the errors subsequently affected the result of the winner of the contest or the round in Olympic Qualification Tournaments, G6 events or above, the Technical Delegate (TD) has the right to review the case with assistance of the Competition Supervisory Board (CSB) to make the necessary correction within 30 minutes after the pertinent round. If the errors were identified

and confirmed, the TD may request for resumption of the round from the moment when the error was occurred. In case of multiple errors, competition will be resumed from the moment when the first error was occurred.

- 8 In the case of a successful appeal, the Competition Supervisory Board may investigate the contest at the end of the competition day and take disciplinary action against the concerned refereeing officials, if necessary.
- 9 In any time during the round, any of the judges can ask for adding or removing technical points regardless of coach's appeal quota.
- 10 In the tournament where instant video replay system is not available, the following protest procedure will be applied.
 - 10.1 In case there is an objection to a referee judgment, an official delegate of the team must submit an application for re-evaluation of decision (protest application) together with the non-refundable protest fee of US\$200 to the Board of Arbitration (Competition Supervisory Board) within 10 minutes after pertinent contest.
 - 10.2 Deliberation of re-evaluation shall be carried out excluding those members with the same nationality as that of contestant concerned, and resolution on deliberation shall be made by majority.
 - 10.3 The members of the Board of Arbitration (Competition Supervisory Board) may summon the refereeing officials for confirmation of events.
 - 10.4 The resolution made by the Board of Arbitration (Competition Supervisory Board) will be final and no further means of appeal will be applied.
 - 10.5 Deliberation procedures are as follows:
 - 10.5.1 A coach or head of team from the protesting nation shall be permitted to make a brief verbal presentation to the Board of Arbitration in support of their position. The coach or head of team from the respondent nation shall be allowed to present a brief rebuttal.
 - 10.5.2 After reviewing the protest application, the contest of the protest must be arranged according to the criterion of "Acceptable" or "Unacceptable".
 - 10.5.3 If necessary, the Board can hear opinions from the referee or judges.
 - 10.5.4 If necessary, the Board can review the material evidence of the decision, such as the written or visual recorded data.
 - 10.5.5 After deliberation, the Board shall hold the secret ballot to determine a majority decision.

- 10.5.6 The Chairperson will make a report documenting the outcome of the deliberation and shall make this outcome publicly known.
- 10.5.7 Subsequent process following the decision:
 - 10.5.7.1 Errors in determining the match results, mistakes in calculating the match score or misidentifying a contestant shall result in the decision being reversed.
 - 10.5.7.2 Error in application of the rules: When it is determined by the Board that the referee made a clear error in applying the Competition Rules, the outcome of the error shall be corrected and the referee shall be punished.
 - 10.5.7.3 Errors in factual judgment: When the Board decides that there was a clear error in judging the facts such as impact of striking, severity of action or conduct, intention, timing of an act in relation to a declaration or area, the decision shall not be changed and the officials seen to have made the error shall be reprimanded.
